ANNOUNCING BLIGHT DAY: The Demolition of a Long Time Blighted Property in Algiers

3000-3010 Gen. DeGaulle Drive
Wednesday, January 27
10:30 a.m.

January 21, 2010

Algiers Economic Development Foundation, NobleOutReach, as well as City and State elected officials will hold a **Press Conference**, Wednesday, January 27 at 10:30 a.m., celebrating the demolition of a long time blighted property in Algiers. The demolition is paving the way for a new \$20 million dollar economic development project. The demolition will begin **immediately** at the end of the press conference.

The press is invited and encouraged to come as this Algiers property, approaching the Crescent City Connection Bridge, has been an eyesore for nearly 20 years. The demolition of this highly visibly property is another example of Algiers moving forward.
